Re: Cable Installation at \_\_\_\_\_

To Whom It May Concern:

This letter serves as an approval to give you permission to install cable services to the above named location. You may install the cable upstairs and downstairs upon tenant request. You shall install cable with reasonable due diligence and care, as to allow only the minimum amount of both interior and exterior structural damage for cable passage. Use reasonable efforts to protect exterior cable entrance from elements of potential water & pest damage.

Please call if you have any questions.

Sincerely,

Tom & Sharon Sappington
