TENANT GUIDELINES FOR CARPET CLEANING

1. All knick-knacks and breakable items need to be removed from furniture, and away from carpeted area. (For example: China from china cabinets.)
2. All non-furniture items must be removed from carpet (pillows, magazines, newspapers, etc.)

Kenbrook Village is not responsible for extra carpet tenant wants cleaned. Also we do not allow bedroom carpets to be cleaned in Townhouses, as this will damage the hardwood floors.

All of the above must be completed by the scheduled carpet cleaning date, to have the cleaning done.

If you have any questions about these procedures,, please call Kenbrook Village Maintenance Office - 451-2786.

Thanks for your cooperation.
