## TENANT GUIDELINES FOR NEW COUNTERTOP INSTALLATIONS

1. Remove all items from top of counters and lower cupboards and dishwashers. Relocate to another part of the apartment; out of kitchen/dining area.

Kitchen table and chairs and/or china cabinets can stay, but we recommend they be covered.

If you have any questions about these procedures, please call Kenbrook Village Maintenance Office, at 451-2786.

The above must be completed before the new countertops can be installed.

Thanks for your cooperation.
